

Naslov prvog reda: Cookbook

Paragraf: A cookbook or cookery book is a kitchen reference containing recipes.

Cookbooks may be general, or may specialize in a particular cuisine or category of food.

Recipes in cookbooks are organized in various ways: by course (appetizer, first course, main course, dessert), by main ingredient, by cooking technique, alphabetically, by region or country, and so on. They may include illustrations of finished dishes and preparation steps; discussions of cooking techniques, advice on kitchen equipment, ingredients, and substitutions; historical and cultural notes; and so on.
